BEVERLEY RUFC

**Spring 2024**

## Welcome

It is always great to see old faces at the club but equally to also welcome new families to Beaver Park.

The rugby club is primarily run by volunteers who are busy behind the scenes throughout the year from maintaining the building and grounds, interior and exterior painting, replacing windows, and decking, improving shower and toilet facilities to hosting community events **"Bev Fest"** (first musical event) and **"Pride"** in 2023 as well as **Touch Union** Friday evenings June through to the end of September and much more.

Neil Botham
Mini and Junior Chairman

# EVENTS

Activities bring vital funds into the club to support the running of the club and enable the club to host events (Halloween, Christmas, presentation day...) for the minis and juniors section as well as help to provide necessary playing equipment.

Pictured: some of the U10s and U11s enjoyed a training session followed by watching a match at Leicester Tigers v Harlequins in October

# LOW FEES

Beverley RUFC continues to keep membership fees low thanks to the support of its members, volunteers and sponsors.

The club is extremely grateful as it continues to run relying heavily on the varied skills within its team of willing volunteers from members, players, their families and community offering their help and support on a regular or adhoc basis.

## Welcoming Volunteers

If you have any thoughts and ideas about the club or have any skills you can share we would love to hear from you:

A big thank you to the Massey family for the amazing feather flags provided for our u6 to u12 teams.
